## EXPERIENCE

### KVEW/KAPP, Kennewick, WA

**Chief Meteorologist/Morning Co-Host**

June 2016 – Present

- Earned AMS Certified Broadcast Meteorologist in 2018: CBM #791
- In charge of station's weather coverage—content and presentation
- Personally built all weather graphics for station
- Morning meteorologist
- Co-host Good Morning Northwest, a 2-hour morning newscast which is the station's highest rated news
- Created weekly segment called 100% Chance of Wine which focuses on local wineries

### WHAS, Louisville, KY

**Evening Meteorologist (5, 6 and 11PM)**

June 2011 – June 2016

- Forecasted, produced graphics, and delivered on-air weathercasts for 5, 6 and 11PM newscasts in a severe weather market at a television station that places a huge emphasis on weather
- Started at WHAS as Weekend Meteorologist. Promoted to Noon and 4PM in 2014 and later promoted to the weekday evening newscasts
- Live reporting during severe weather events
- Updated website including posting latest forecasts stories and video

### WTOV, Steubenville, OH

**Weekend Meteorologist/Weekday Reporter**

June 2009 – June 2011

- Forecasted, produced graphics, and delivered on-air forecasts for the 6 pm and 11 pm newscasts on the weekends
- Fill-in meteorologist during the week for both the morning/midday meteorologist and chief meteorologist
- Weekday general assignment reporter
- Live reporting during severe weather events
- Edited newscasts and packages with AVID NewsCutter
- Updated website including posting stories and videos

### WCMH, Columbus, OH

**Intern**

September 2008 – December 2008

- Worked with experienced broadcast meteorologists
- Became familiar with WSI by creating my own graphics for my resume tape
