EXPERIENCE

KSAT, San Antonio, TX

Meteorologist/Reporter

December 2012 – Present

- Meteorologist for weekday 9-10 a.m. & 12-1 p.m. newscasts
- Shoots, produces, and edits daily content for the website, including two weather webcasts. Other content, including "This Day in Weather History" and a "Junior Meteorologist" is produced and updated frequently
- Writes weather stories for the web whenever a weather event arises
- Sends daily forecast alerts via KSAT weather app
- Broadcasts weather updates via app when severe weather approaches
- Storms chases during weather events, broadcasts live on website and television from station's Storm Chaser
- Reports on weather related material, along with water issues and local history
- Started new series called "Junior Meteorologist" where students send in home videos doing weather forecasts
- Classroom visits to schools where I record students asking questions about weather and we answer them on air and on line
