EXPERIENCE

WCMH, Columbus, OH

Political Reporter

July 2022 — Present

- Provide daily content to five stations across Ohio, two in West Virginia
- Provide weekly content for Sunday morning political show; appear on Sunday morning political show for talk-back segments as a fill-in Host
- Use expertise in state politics to pitch and turn stories each day; use sources built over time to turn scoops, exclusive and breaking stories; lead all shows on Election nights as expert on races/issues
- Write package and multiple VOSOTs each day for several shows; write different angles for each script; front live package/VOSOTs/VOs/Q&As from field every day; tweet from field; write daily web story
- Appear as regular guest on Columbus NPR station-WOSU-“Weekly Reporter Roundtable,” to provide insight on state politics

WKBW, Buffalo, NY

MMJ/Reporter

June 2021 — June 2022

- Enterprised stories from idea stage through execution-- set up and conducted interviews in person or via Zoom; shot interviews and b-roll; shot stand-ups for package
- Wrote package and/or VOSOTs for shows; edited package and/or VOSOTs; fronted package/VOSOT in studio, newsroom, or in field; wrote web story and posted to social media

MSNBC Weekends, Remote

Production Intern

August 2020 — April 2021

- Pitched timely stories each week at production meeting; wrote questions for guests; researched and compiled fact sheets for producers and anchors; fact checked information for newscasts
- Logged guest interviews from live newscasts; highlighted important quotes from logs and sent to department distribution list for future soundbites

Late Night with Seth Meyers, Remote

Guest Research Intern

June 2020 — September 2020

- Watched and listened to celebrity, politician, and athlete appearances to write summaries of topics discussed for segment producers to write questions; transcribed videos and podcasts with timecodes
- Adapted to a remote working experience while maintaining productivity, communication, and accuracy

Spectrum News 1 Central New York, Syracuse, NY

Digital News Intern

January 2020 — May 2020

- Wrote stories for web; created infographics; used web analytic programs to determine post performances; posted to social media; reviewed reporter posts before they went to web
- Worked on a weather analytics project that compared web and social posts internally and between local competitors to determine what content drives the most engagement

NBC News, New York, NY

News Specials Intern

September 2019 — December 2019

- Researched for upcoming special reports and Breaking news; logged special reports; built graphics; pulled and edited footage from archives; created an impeachment book that was distributed department wide, for use during special reports
- Traveled to Atlanta to help with the production of the fifth primary Democratic debate – created signs and credentials, booked trailers, made contact lists, was a point of contact for travel

Peter Greenburg Worldwide, Studio City, CA

Production Intern

May 2019 — August 2019

- Worked closely with CBS News travel editor Peter Greenberg to pitch ideas for television travel shows; transcribed videos; edited audio, wrote and produced segments for weekly remote radio casts; created rundowns; went onsite to shoots and radio shows as a production assistant; gave other interns assignments
